# AS WE GROW DIAPER BANK

A Program of the Junior League of Toledo

The Junior League of Toledo diaper bank, As We Grow, addresses the diaper need in Lucas County.

1 in 3 American families experience diaper need. Babies without clean diapers are exposed to more potential health risks and are less likely to be accepted to daycares, leaving parents unable to attend work. According to a study by the National Diaper Bank Network, Ohio has a total of 411,064 members of its population under the age of 3. **Keeping these children clean, dry and healthy is key to building a solid foundation.**

### **About the Junior League of Toledo:**

We are an organization of women committed to promoting voluntarism, developing the potential of women and improving communities through the effective action and leadership of trained volunteers.

We are committed to inclusive environments of diverse individuals, organizations and communities.

### **Our Event:**

As We Grow hosted its first annual virtual race, Diaper Dash, September 11 through September 27 to raise money for the diaper bank. This will be an annual event.
